

# WELCOME TO THE LOUNGE

Make yourself comfortable,  
take a deep breath, and turn your attention to  
Asinara Island.

Breathe in once more; this is the taste of the saltiness  
of our sea. Add a hint of juniper and allow yourself to be  
indulged and guided by our suggestions.

This is our definition of hospitality: surprising you with the  
simple beauty that Sardinia can provide every day, be it  
with the Grecale or Maestrale breezes.

If you can't find something that suits your taste, we're  
here to collaborate with you in creating a unique and  
distinct experience each day.

After all, flavors indeed vary depending on the geographical location...
